911 Supervisor Course TCOLE #3796

**FREE
TRAINING**

Prerequisites: Participants enrolling in this course will participate in a variety of activities, group discussions and scenarios based on supervisory skills. Promotions can be rewarding, yet, stressful. Therefore, this course will cover the basic skills and communication techniques beneficial to a new supervisor. It will list ways to transition from a dispatcher position to a supervisory role. Discussion on the values, ethics and principles required of a supervisor will offer insight into the role. *Please email Instructor Christine "Chris" Wallace at christine.wallace@austincc.edu*

Location: ACC PSTC
Dates: December 1 - 4, 2025
Monday - Thursday
Times: 8:00 A.M.- 5:00 P.M.

Austin Community College
Public Safety Training Center
